

International Education Committee: Becky Becker, Chair
Faculty Senate Report: Monday November 7, 2016

IEC Activities

International Learning Community & International Studies Certificate

- International Learning Community Theme: My Journey, My World
 - Fall Semester: 3 films, 4 lectures/panel discussions, 9 Global Dialogues, and one performance.
 - Approx. 400 students have attended so far this semester.
- Ongoing discussions about linking the ILC to the QEP.
- International Studies Certificate: 52 current ISC students; 7 ISC graduates during Spring 2016 commencement; 5 students set to complete capstones and graduate with certificate during fall 2016.

International Students & Scholars

- International Student Fall Orientation: served 45 new international students.
- Total number international students: 146 (up from 120 last year); 41 countries represented
- Dr. Doru Pop will join us this spring as the Amos Scholar in Communication.
- Three additional international scholars in various departments across campus.

Internationalizing the CSU Campus

- Former Provost Tom Hackett, Steve Morse's unit and CIE contributed to funds to place flags representing our international students in Schuster and Davidson.
- More flags will be featured in the CIE Event Hall following our first Annual International Student Convocation, which was held during International Education Week on Monday, September 26, 2016.

Study Abroad

- International Education Week was celebrated September 26-30; wide variety of activities for students, highlighting study abroad and international learning community events, as well as international students.
- Study Abroad software, Terra Dotta, has gone live; allows students, faculty and CIE staff to more easily monitor student progress with study abroad applications, orientation, etc.
- Made revisions to ranking system for study abroad scholarship giving more weight to the essay portion of the application.
- Study Abroad Enrollment so far for 2016: 135 students; slightly above numbers for last year.
